BRIDGE 13 ILLUMINATED IN YELLOW TO SIGNIFY HOPE

Welland, ON – From March 27 to April 10, the East Main Street Bridge, Bridge 13, will be illuminated in yellow to signify hope and help unite with the world during the COVID-19 pandemic.

Bridge 13 is located in the heart of downtown Welland. The Bridge lights up with brilliant LED lights every evening and also lights up with a variety of colours to commemorate specific celebrations and events.
