PUBLIC SERVICE ANNOUNCEMENT

MINISTRY USING TRAP, VACCINATE, RELEASE TO COMBAT RABIES

Welland, ON - The Ministry of Natural Resources and Forestry is conducting its Trap, Vaccinate, and Release (TVR) Program in areas of Welland until Oct. 16, 2020, to immunize raccoons, skunks, foxes, and coyotes.

The Ministry's TVR Program targets small wildlife habitats to control the spread of rabies in Ontario. Traps are set up in designated concealed areas and checked daily. The wildlife is vaccinated and released on site.

For more information on the Ministry of Natural Resources and Forestry, visit <https://www.ontario.ca/page/ministry-natural-resources-and-forestry>.
