**MEDIA RELEASE**

**TRAFFIC AND PARKING BY-LAW TO INCLUDE ENFORCEMENT OF HUNTERS POINTE GOLF COURSE PARKING AND TRESPASS ON PRIVATE PROPERTY**

**Welland, ON** – Last evening Council directed the City Clerk to amend the Traffic and Parking By-law 89-2000 to include 289 Daimler Parkway and the unassumed roads within the Central/South Village subdivision to the City of Welland Municipal/ Private Property Schedule of By-law 89-2000.

The amendment was at the request of property owners to assist with issues caused by the operation of motorized vehicles (dirt bikes, ATVs, etc.) on the closed Hunters Pointe Golf Course (HPGC) property.

Parking Enforcement Officers will now be allowed to enter the private lands at the property owner's request to enforce parking regulations. In addition, Parking Enforcement will help prevent motorists from loading/ unloading off-road vehicles and parking their vehicles at the two locations requested.

Signage will be posted at the entrance and exit of the property to inform those that unauthorized parking and trespassing is not permitted and will be addressed as per Traffic and Parking By-law 89-2000. Fine for parking on private property without consent is \$25.00, those who violate the trespassing act can be fined by Niagara Regional Police.
