Rose City Circuit Tour Kicks Off Anniversary Week

For Immediate Release – Tuesday, July 15, 2008

Welland – Area musicians are joining in the 150th celebration this coming weekend as part of the Rose City Circuit Tour.

Ten bands, playing at 4 venues across the City, will be taking part in the Tour in support of the sesquicentennial celebrations. In addition to listening to great music, fans will be asked to sign Welland's Biggest Birthday Card, which will be displayed at the Welland Historical Museum later this year.

Organizers Dominic Agostino and Christian Vendetti are thrilled to pull together such a wide range of talented musicians from across Niagara for the Tour. "Members of these bands wanted to show their support for the Anniversary celebration," stated Agostino. "What better way than to play to their fan base right here in Welland? It's a great way to kick off the Anniversary Week."

Admission to the 4 locations - Golden Brothers, Park Bar, Bridge Pub and Café' on Main is FREE. Organizers are encouraging those interested to tell their families, friends and neighbours about this event.

See attached for this weekend's line-up. For more information on coming 150th events, visit www.welland.ca/anniversary.
