

## PUBLIC SERVICE ADVISORY

### Public Input Being Sought Regarding Welland-Crowland War Memorial Project

**For Immediate Release – June 27, 2008 – 4:00 p.m.**

**Welland** — The City of Welland will be holding a Public Information Session regarding the preservation and conservation of the Welland-Crowland War Memorial located in Chippawa Park.

**When:** Tuesday, July 15, 2008  
**Time:** 2:00 p.m.  
**Where:** Community Room, Welland Civic Square

Interested parties are invited to attend to hear an update from the Consultants working on the project. They will also be seeking input from members of the public as the project moves forward.

The Consultants are asking those who attend the Public Information Session to bring with them any family pictures or historical articles that involve the War Memorial. The goal of the Consulting Team is to not only preserve the monument, but replicate its original surroundings as best they can, as the monument designer, Elizabeth Wyn Wood, had intended.

If you are unable to attend the session on Tuesday, July 15 at 2:00 p.m., but have some articles or photographs you would like to share with the Consultants, copies of any information you may be willing to share can be forwarded to the City to the attention of the City's Facilities Manager, Chris Herstek. Should you want the information returned to you, please include your contact information.
